

A THREE-DAY NATURAL PERFUMERY TRAINING WITH THEORIA GOLD

THE THEORIA METHOD

Finding Your Scent

Learn to create perfume with pure plant materials.

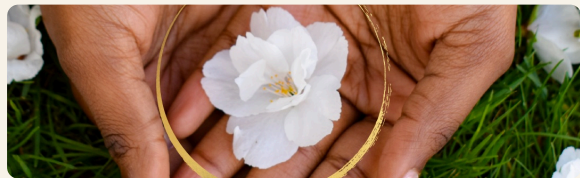

NO SYNTHETICS

Taught by **Miriam Young**, French Botanical Perfumer, Aromatherapist and Clinical Herbalist.

About Miriam

Trained under a fourth-generation Parisian perfumer, Miriam has worked with aromatic plants since 1995. Her debut fragrance, Rose Aimée, took ten years to perfect. Theoria Gold now has five award-winning natural perfumes.

Day One

- Perfume as art, perfume as music
- Natural versus synthetic
- An introduction to the therapeutics of natural perfume
- The fragrance wheel
- The volatility dance
- Smell like a perfumer: develop your nose, level one
- The joy of top accords
- Your perfume concept

Day Two

- Perfume: an exotic history
- Perfume concentrations
- Smell like a perfumer: develop your nose, level two
- The revelation of heart accords
- Fragrance families
- The feeling of fragrance
- Develop your perfume concept and storyline
- Your perfume pyramid

Day Three

- Smell like a perfumer: develop your nose, level three
- The divinity of base accords
- The inspiration in chemistry
- The art of balance
- Ensuring stability
- The patience of perfumery
- The magic of your own perfume

Book one, two or all three days. You leave with a finished perfume of your own and the skills to keep making them.

For perfume lovers, and for small businesses ready to create their own signature scent. An intimate group of 8, with one-on-one guidance throughout.
